

Circular No 13/2021-22

9th April 2021

Dear Parent,

Subject: UMANG Mobile App.

The Ministry of Electronics and Information Technology (MeitY) and National eGovernance Division (NeGD) has developed a Unified Mobile Application for New-age Governance (UMANG) to drive Mobile Governance in India.

UMANG provides single point access to 1,000+ services of Centre and 29 State Governments through Mobile. During the pandemic, the app helped the school students with reference digital resources (books/audio/video) and many relevant Government services with just few clicks on mobile app., thus bringing efficiency and ease of life.

A special video presentation has been created for school students which explain details of various services on UMANG App, and is available at the link http://web.umang.gov.in/landing/video_presentation.

Principal
