

Circular No 28/2021-22

19th June 2021

Dear Parent,

National Skill Development Corporation (NSDC), like Central Board of Secondary Education (CBSE), is an affiliating agency for the training centers that run short-term courses under the National Skills Qualification Framework (NSQF).

Keeping in mind the newly launched National Education Policy (NEP), CBSE is collaborating with NSDC for the **Junior Skills Championship**.

As part of this championship, various School-level Competitions are being planned with the objective to blur the ostensible separation of 'vocation' and 'academics' as envisioned in the National Education Policy (NEP).

In this initial cycle the following skills will be taken up which are given below:

- Web Technologies
- IT Software Solution for Business
- Mobile Robotics
- Digital Photography
- Painting & Decorating
- Fashion Technology
- Visual Merchandising
- Graphic Design
- Innovative Business Idea
- Solar Energy

More details about the competition and Registration form are available
