## **WHOMSOEVER IT MAY CONCERN**

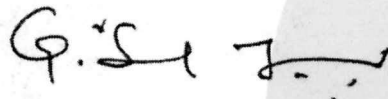

### **STRUCTURAL SOUNDNESS CERTIFICATE**

It is submitted that the AVN VIDA SCHOOL building construction was started on 07/08/2015 and completed on 02/06/2017 in all aspects. The SBC of the soil was tested and the value is 300 kN/m<sup>2</sup>. The VRCC members i.e. footings, pedestals, columns, plinth beams, All floor Roofs and graded slabs etc. are constructed with superior quality and as per IS code standards and NBC 2005 . The walls are also constructed as per IS/NBC standards.

The total building was constructed with proper care and followed all technical standards as per GHMC approved drawings and relevant IS Codes/NBC 2005 under my close supervision.

Hence certified that the Building was structurally sound and fit for running the school.

Yours Sincerely,

**G.Sunil Kumar (PhD, Structures)**
